

Greener events, conferences, meetings

Nele Fassnacht

**DG SCIC, European
Commission**

A photograph of a forest path. The path is paved and covered with fallen leaves. The trees are tall and green, with sunlight filtering through the canopy, creating dappled light on the ground. The path leads into the distance, curving slightly to the right.

Greener Events in 7 steps – Let's go for a walk

-1

Take a step back – do you really need a physical meeting?

1

Hosting it green - venue

1. VENUE

- Book a venue with good public transport links
- Ask about energy efficiency and waste sorting

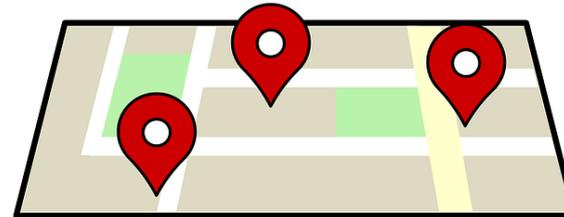

2

Get some rest – Green accommodation

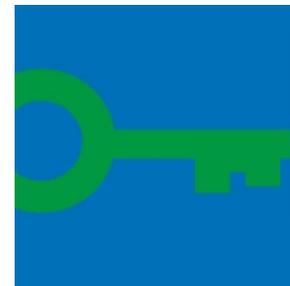

2. Accomodation

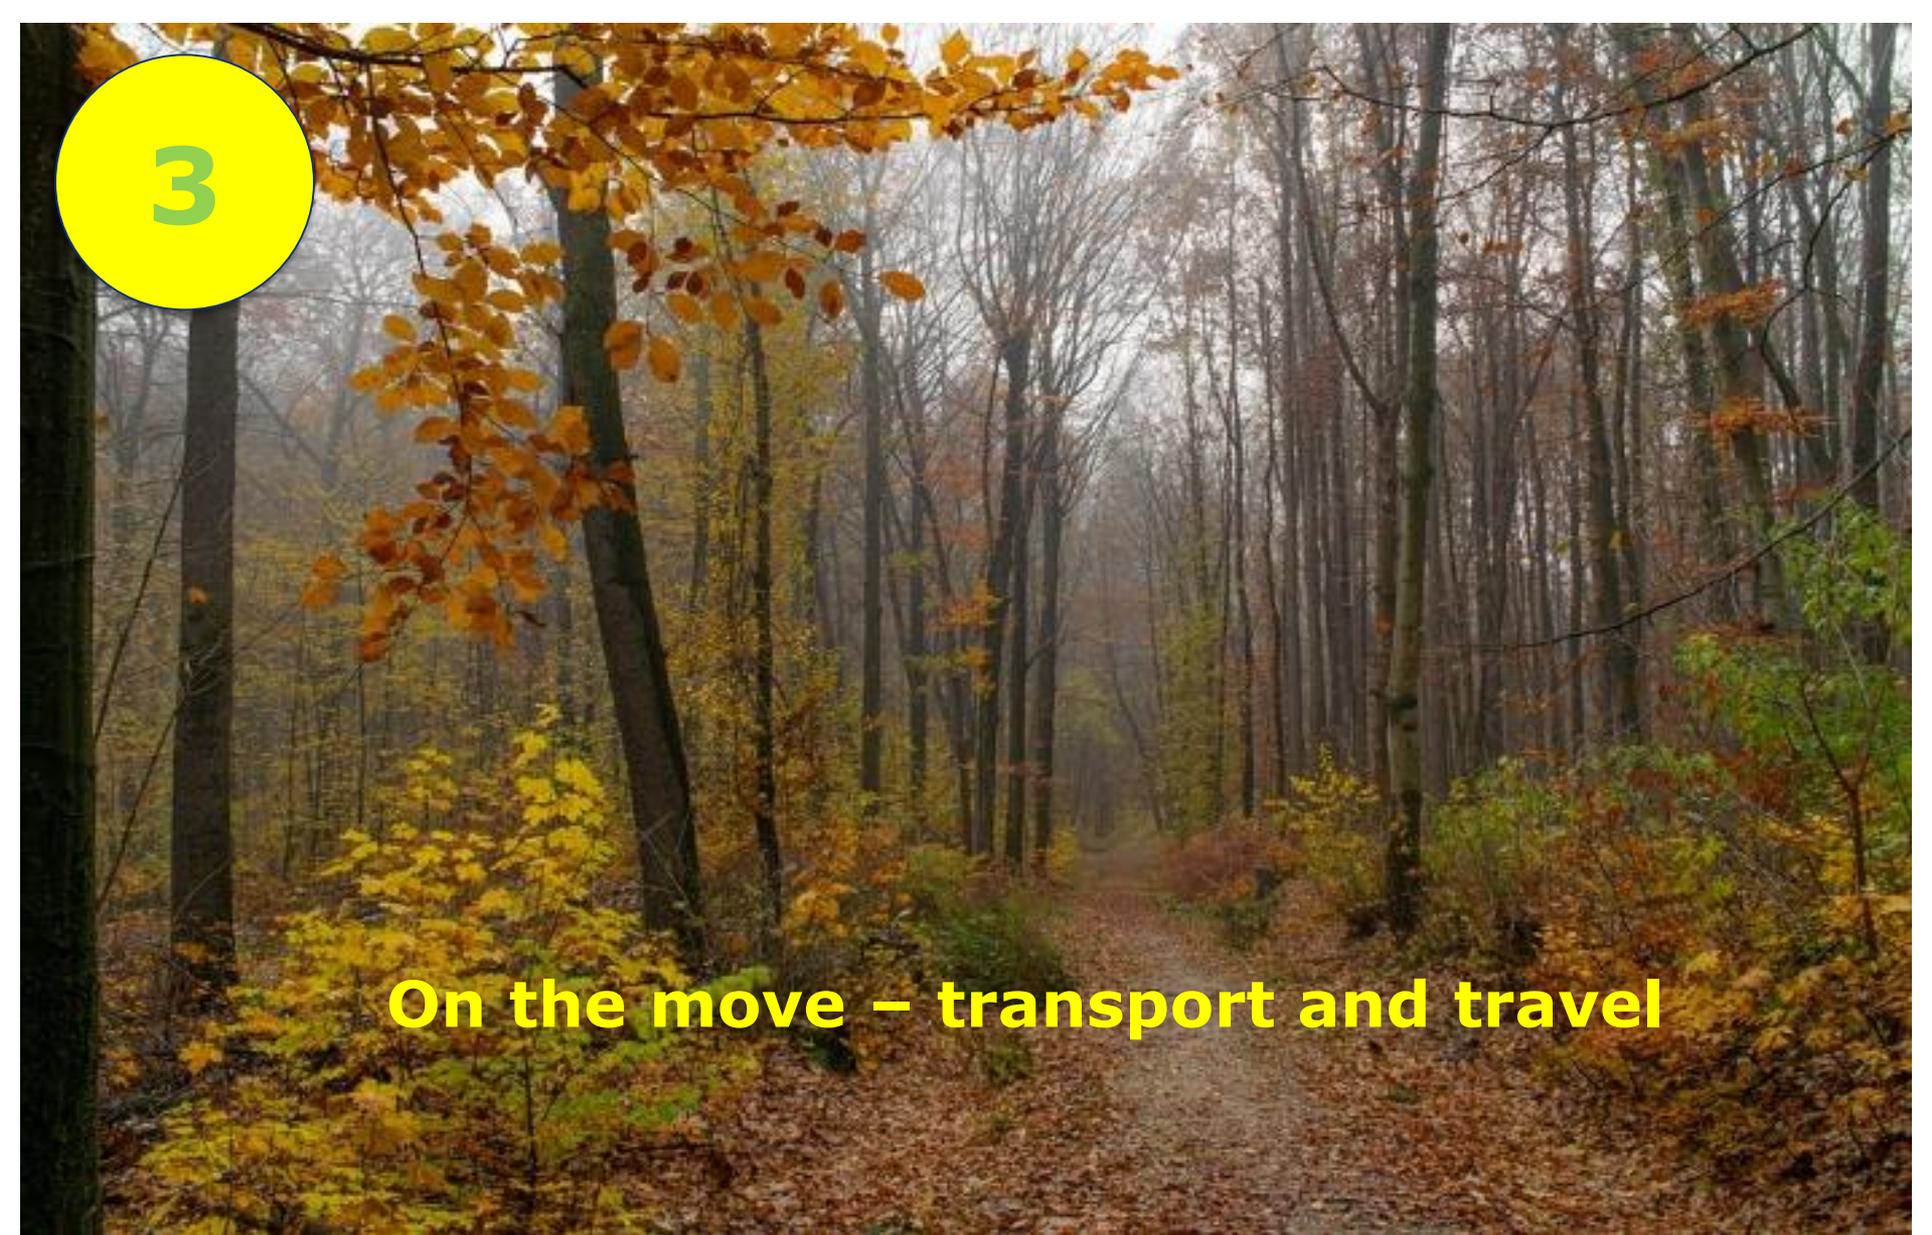

- Close to the conference venue

- With good public transport links

- Certified environmentally friendly (EU ecolabel, Green key, EMAS, ISO 14001)

3

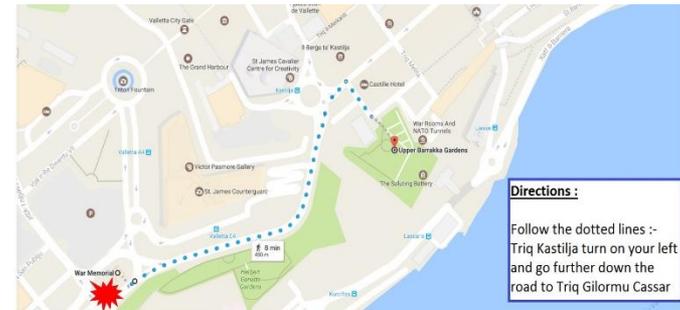

On the move – transport and travel

3. TRAVEL ARRANGEMENTS

- Encourage travel by train, bus, carpooling

- Make it easy for people to walk, cycle or take public transport

4

**Do we really need all this stuff? –
lean and green on material**

4. CONFERENCE MATERIAL

5

Eat your greens - catering

5. CATERING

5. CATERING

6

**Showing the way –
organise your signposting**

6. SIGNPOSTING

7

**Talk the walk – communicate
about what you do**

7. COMMUNICATION

Greener Events in 7 steps – What have you learnt?

Slido word cloud

The checklist

Thank you!

DG SCIC conference organisation –
Making conferences easier and better.

Let's make our conferences greener. Every action counts.
